## Re: Partnership Confirmation – Harvels Environmental Solutions Limited and Lamor Corporation

To Whom It May Concern,

This letter formally confirms the strategic partnership between Harvels Environmental Solutions Limited (Harvels), with a registered office at 144 Circular Road, 6 Elekahia Housing Estate, Port Harcourt, Rivers State, Nigeria, and Lamor Corporation PLC, Rihkamatori 2, 06100, Porvoo, Finland (Lamor) for the successful execution of the Ministry of Environment and HYPREP projects starting with Ajeokpori-1, Ogale (Lot 1), and Ajeokpori-3, Ogale (Lot 3) project, including the execution of works for SHELL, (SPDC), Chevron, Total Nigeria, and Seplat Petroleum Development Company. This partnership leverages on the distinct expertise and capabilities of both Harvels and Lamor to deliver comprehensive solutions for critical environmental remediation, ground water treatment, and oil spill clean-up projects.

### Lamor Corporation's Responsibilities:

- Provide technical and commercial requirements for all Project Tender requirements.
- Programme Design:
  - Provide QA/QC
  - Provide Remediation Action Plan (RAP)
- Supply of specialized oil spill response, groundwater treatment, and remediation equipment tailored to the unique project requirements.
- Provision of technical expertise in the areas of contaminated site assessment, remediation & ground water treatment technology selection, and project implementation.
- Soil & Groundwater Treatment facility:
  - Construction management and commissioning
  - Operation & maintenance
- On-site training and knowledge transfer to local personnel to ensure long-term sustainability of remediation, oil spill clean-up, and ground water treatment efforts.

### Harvels Environmental Solutions Limited's Responsibilities:

- In-depth local knowledge and logistical coordination for efficient project execution within the Nigerian context.
- Provide HSE, and Security Plan for the project.
- Project management and oversight, ensuring seamless integration of Lamor's technologies and expertise.
- Skilled workforce mobilization and management for on-the-ground remediation activities.
- Engagement with local stakeholders and communities to facilitate project acceptance and collaboration.

Harvels and Lamor are committed to working collaboratively to achieve the environmental remediation objectives set forth by the United Nation Environmental Programme (UNEP), The Nigeria Ministry of Environment, and HYPREP initiative. This partnership aims to deliver a first-class outcome that positively impacts the affected communities and restores the ecological integrity of Ogoni land, and the Niger Delta region.

Should you require any further information or clarification regarding this partnership, please do not hesitate to contact the undersigned.

Sincerely,

Evan Lorendo

Head of Africa
